#### The Frost and Berk Saga 2

A crossover that has more pairing of Frost/Hiccup. Enjoy! Oh and there will be an appearance of an OC Guardian.. You can decide what he can do!

#### Chapter 1: Tears of Frost

"It's ok Jack!" says a weak voice.

>"I know but..." Jack says wiping tears from his eyes.<br>"Promise me you'll never forget me!" the man says.

>"I promise.. Hiccup!" Jack says breaking into tears.<br>"T-tha..."

-Jack's POV-

I wake up in tears, sweat falls from my face. I've been having that same dream for a while now, of a island, of a boy, of love!

-North's POV-

"Where are my cookies?" I ask in my thick Russian accent.

>I reach over and take a cookie from a plate carried by my elf's.<br>"Chocolate chip!" I say biting into the door's burst open; a yeti stands behind the door with a confused look on his face.

>"What?" I ask almost choking on the cookie.<br>The yeti points towards the guardian stand.

>"You sure?" I ask.<br>The yeti nods leaving the doorway.

>"Call the others!" I say rushing towards the guardian stand.<p>

-A couple of hours later-

"What is it North?" an Australian figure asks hiding in the shadow.

>A gold figure appears and signs "<strong>What now?"<strong>"I don't know Sandy, but Manny could!" I say.

>"Wait Tooth and Frost's not here yet!" the figure says.<br>"Bunny, it's about Jack!" Tooth says appearing in the room.

>"That's why he's not here at the moment, Manny chose another Guardian!" I explain pointing towards the guardian stand.<br>"Wait another one? Jack was bad, Yui (OC guardian) was worse. Now a third!" Bunny says with crossed arms.

>"Bunny.. It's Hiccup!" Tooth says with a grim look on her face.<br>"North is this true?" Bunny asks.

>I nod.<br>"We have to tell him!" Tooth says.

-Meanwhile-

"YA-HOOOO!" a figure in armor says flying.

>"I don't know how I got here, and I don't care!" the figure adds flying towards a city, he lands in the center of the city as children play around him.<br>"Hello!" the figure says towards a child.

>"Can you tell me where I am?" the figure asks the child; but he passes right through him.<br>"How?" the figure asks himself.

>"Hiccup!" a voice says.<br>"Who?" the figure asks looking for the source of the voice.

>"Your name.. Hiccup!" the voice says again.<br>"Ok... but who are you? Hiccup asks the voice.

>"Man in Moon, call me Manny!" Manny says.<p>

## 2. Chapter 2

### The Frost and Berk Saga 2

A crossover that has more pairing of Frost/Hiccup. Enjoy! Oh and there will be an appearance of an OC Guardian..

### Chapter 2: Lost love

-Jack's POV-

I flew as fast as I could towards my destination: North's Workshop; why I'm getting called is a mystery. I landed on the outside of the huge wooden doors; behind the doors the noise of hammer striking are heard. The doors open with a silent creak.

>"Ah Jack!" North says in his thick Russian accent opening the huge wooden doors.<br>"North!" I say walking through the doors.

>"Good to see you too Jack." North says closing the doors.<br>"What's it this time North?" I ask.

>"Nothing... Just Manny chose a new guardian!" North says grinning.<br>"Is that why I'm here North?" I ask annoyed.

>"No, Bunny and Sandy are picking him up!" North says stroking his beard.<br>"Meaning the bag?" I ask annoyed and thinking back to that day with a grin.

>"Nope!" is all North says before heading into the center of his workshop.<br>"Hell you used the bag on Yari when he was chosen!" I

say annoyed.

>"So the Guardian of Spring has chosen a name.. Good!" North says smiling.<br>"Will you ever tell me why I have to teach him?" I ask with folded arms.

>"Nope.. Because Manny has to tell you!" North says poking me in my chest.<p>

-Meanwhile-

"\*\*So we have to pick up Hiccup?\*\*" Sandy signs towards Bunny.

>"Well yeah.. He was and still is Jack's lover.. even if Jack can't remember!"<br>"\*\*Did you hate asking... you know who?\*\*" Sandy asks.

>"Cupid? Well yeah, how would you feel talking to the Guardian of Love!" Bunny says.<br>"\*\*Not because you two used to..\*\*" Sandy signs while Bunny glares at him.

>"Don't bring that up mate!" Bunny says growling<p>

-Hiccup's POV-

I watched as two figures walked closer and closer towards me, they were talking about something I was not really paying attention.

>"So?" the tall figure asks the short figure.<br>I never heard the other speak.

>"True.. how do we find Hiccup!" the tall figure says.<br>I gasp quite loudly.

>"Hmm.. Ok come out!" the tall figure says.<br>"N-No!" is all I say keeping myself hidden.

>"Scared Hiccup?" the tall figure asks.<br>"Y-yes, for one how'd you know my name?" I ask looking for an escape route.

>"We are not going to harm you Hiccup!" the figure says getting closer to my hiding place.<br>"S-stay away!" I say.

>"What... Oh.. sure Sandy go ahead!" the figure says backing away.<br>"W-who are you talking to?" I ask as I notice sand floating around me; it changed shape into many things, a shark, a flower and a dragon.

>"Hiccup.." is all the tall figure says before I dash out my hiding place.<br>"WAIT!" the figure shout as I dive into another bush.

>"I-I don't even know your name." I say quite loudly.<br>"Oh.. Name's Bunny, and the shy guy that made the sand is Sandy. We are both Guardians!" Bunny says.

>I step out from the bush and smile slightly.<br>"So you trust us?" Bunny asks.

>"No there was a huge spider in that bush!" I say sticking out my tongue.<p>

-Bunny's POV-

'God's this boy.. Jack.. You!' I think to myself as Hiccup looks over Sandy.

>"Let me guess, Sandman and the Easter Bunny!" Hiccup says with a huge grin on his face.<br>"Correct!" is all I say before tapping my feet to create a hole towards North's workshop.

>"Want to meet North?" I add asking a confused Hiccup.<br>"\*\*Just jump!\*\*" Sandy signs jumping into the hole, Hiccup follows after Sandy and I jump in after them.

>"What now North.. I was busy bringing love to many people.. You do know that emotion.. don't you!" Cupid says annoyed.<br>"I do.. It's our 'deal'!" North says.

>"You want me to end it?" Cupid asks.<br>"Up to you!" North says as Bunny, Sandman and a boy appear in the room!

>"Hiccup!" North adds hugging the boy!<br>"Hi..." Hiccup says.

>"North!" Bunny says finishing Hiccup's sentence.<br>"YOU!" Cupid says charging at Bunny.

>"Hey Cupid!" Bunny says grinning.<br>"Hey... HEY... HEY!" Cupid shouts grinding his teeth.

>"Yeah.. how you been!" Bunny says rubbing his neck.<br>"Oh.. I've been fine... HOW'D YOU THINK I FEEL!" Cupid says shouting.

>"I'm sorry!" Bunny whispers.<br>"What!" Cupid says again.

>"I'm... sorry!" Bunny whispers again.<br>"What?" Cupid asks right in Bunny's face.

>"I-I'm s-s-sorry!" Bunny stutters out grabbing Cupid's hand.<br>"Don't touch me!" Cupid says as Bunny tightens the grip.

>"Please..." is all Bunny says before a lone tear falls from his face.<br>"Are you crying Bunny?!" Cupid asks.

>"I-I guess I-I am... never noticed how cute you are when your angry!" Bunny says blushing softly.<br>"W-what?" is all Cupid says before a pair of furry lips press on his, before pulling away again!

>"FINALLY!" North says almost shouting; he slaps Bunny on the back.<br>"W-what w-was t-that for?" Cupid asks getting lifted by Bunny.

>"Can we try again?" Bunny asks a blushing Cupid.<br>"Why.. so you can hurt me again!" Cupid says floating away from Bunny's arm's!

>"<strong>Oh for... Bunny tell HIM!<strong>" Sandy signs annoyed.

>"I wanted to.. marry you.. but I was scared so I called it off!" Bunny says rubbing his ears.<br>"Why?" Cupid asks.

>"<strong>BECAUSE HE LOVES YOU!<strong>" Sandy signs pushing the two Guardians together.

>"Is this true?" Cupid asks Bunny, who just nods; he nods to North who brings out a ring.<br>"Cupid... I should have done this before but I was scared... Will you marry me?" Bunny asks holding out the

ring.  
>"I-I will!" is all Cupid says before being whisked away by  
Bunny.<p>

"That was.. CUTE!" Hiccup says rubbing his hand.  
>"What's with the noise!" Jack says appearing in the room!<br>"Oh  
North.. our 'deal' is over!" is all that is heard from Cupid.

>"What deal?" Jack asks before blacking out...<p>

Hiccup stood worried.. more so then the husband to be Bunny.

>"I'm so worried mate..." Bunny says scratching his ears.<br>"It will be fine!" Hiccup says looking at Manny who has took a form of a child so he can be the ring-bearer (sorry if I spelt it wrong)

>"I... why do I believe you?" Bunny asks swallowing hard.<br>"Cause I'm trusting?" Hiccup asks grinning.

>"Just think about it Bunny... Cupid is going through the same thing right now!" Hiccup adds.<p>

"So you and the Bunny... married at last?" Jack asks getting glares from the guardian of love himself.. Cupid.

>"Yep.. and please for me Jack.. be good!" Cupid says grabbing Jack's hands.<br>"I'll try.. Hmm!" Jack looks over Cupid with a small smile.

>"What?" Cupid asks worried.<br>"Nothing.. just Cupid Bunnymund... sounds silly!" Jack says grabbing his staff.

>"I like that name!" Cupid says simply getting a giggle from Jack.<br>"Not like Jack Haddock-Frost is any better!" Cupid adds... looking at Jack who has changed his tone by trying to hide the blush upon his face.

>"Hiccup said he's taking my last name.. and Hiccup Frost sound better!" Jack says grinning.<br>"Well I'm ready!" Cupid says looking at himself in the full length mirror.. he's wearing a white suit with a black bow-tie.

>"I... wow!" Jack says dumbfounded.<br>"Stunned Frosty?" Cupid says floating past Jack.

>"Just thinking... did Hiccup and me really get married?" Jack asks not so sure about himself and Hiccup.<br>"It was a glory... the love between you two was so... limitless!" Cupid says grabbing Jack's hand.

>"Well Jacky.. time for this guardian to get his man!" Cupid adds dragging Jack towards the workshop.<p>

"Today... I am glad to bring these two together.. the love they share.. is so perfect!" Tooth says looking at Bunny and Cupid standing side by side.

>"We your friend's.. will say a bit about you.. and then Manny will give you the rings!" Tooth adds leaving the stand.. Hiccup takes her place.<br>"Hi!" Hiccup says shakeing.

>"Today.. I stand before a new start!" Hiccup says swallowing hard.<br>"I have not know you long Bunny... but the love you share with Cupid must mean more then your pride!" Hiccup adds chuckling.

>"That's true!" Bunny says snuggling into Cupid.<br>"Cupid.. as the guardian of Love.. you spread your magic around but never had anyone for yourself.. then you met Bunny and you knew.. He's the one!" Hiccup says.

>"Yep.. a million time's YEP!" Cupid says snuggling into Bunny.<br>"I hope you two have joy.. and love forever!" Hiccup says leaving the

stand.. after Sandy and North came up to say some kind words it was the time that Bunny feared.. Jack's turn.

"Well... I did have a joke.. but I think I'll skip it!" Jack says, getting a sigh from Bunny.

>"As Hiccup said... The love you two share.. is perfect.. and I'm glad I'm here to enjoy it!" Jack adds.<br>"That.. was... thanks Snow-flake!" Bunny says.

>"Mushy... I know I'm not good with mushy.. but Hiccup is and that is ok with me.. he brings the mush from me... and I hope.. I really hope you two have a great life!" Jack says sending the signal over to Manny.<br>"Bunny.. Cupid!" Manny says handing them the rings.. and giving the stand back to Tooth.

>"With these rings I am proud to give to you.. Cupid and Aster Bunnymund!" Tooth says as Bunny and Cupid slid on the rings onto each other.<br>"I just love weddings!" North says sobbing softly.

-At the after party-

"Bunny can drink!" Jack says laughing slightly.

>"I think he's just worried... you know they'll..." Hiccup says looking over at the snow covered hills of the North Pole.<br>"Toothless still flying about?" Jack asks looking up.. to catch the black figure of the night fury zoom past over his head.

>"He's glad to be fixed!" Hiccup says softly.<br>"Oh... you want to go?" Jack asks looking at Hiccup.

>"I do... but that was years ago.. Berk might be rubble!" Hiccup says.<br>"Well... I never really thought about that!" Jack says softly.

>"You could ask Manny?" North says appearing from the doorway.<br>"Manny... of course!" Jack says face-palming.

>"You rang?" Manny asks in a form of a teen-ager.<br>"Berk?" Hiccup asks softly.

>"The land of Dragon riders... wow.. yeah it's still around!" Manny says as Hiccup almost crushes Manny's ribs.<br>"Who's the Chief.. oh yeah.. some girl's great-grand daughter was it Astrid... or was it Annabel?" Manny asks rubbing his chin.

>"Astrid got married?" Hiccup asks shocked.<br>"Yeah... Snotlout.. she had triplets.. and grew to the ripe age of 89!" Manny says as Hiccup broke down into tears.

>"Wow.. what did I say?" Manny adds asking.<br>"Tears of joy!" Hiccup says wiping the tears into his sleeve.

>"So... Snotlout became chief?" Hiccup asks.<br>"Yeah!" Manny says simply.

>"He still around?" Hiccup asks getting a shake of the head from Manny.<br>"No!" Manny says getting ready to leave.

>"He was my best friend... and I bet he was a great chief!" Hiccup says diving into Jack's arms.<br>"Wow.. what was that for?" Jack asks as he gets a pair of warm lips pressed on his.

>"Wow!" Jack adds allmost on the verge of passing out.<br>"Get back here!" North says reaching out for an elf with a ring upon its hat.

>"Is that?" Jack asks dropping Hiccup the chair.<br>"Yeah!" North says panting.
